1. This is the day, moment, time, and all the world yields to me, not yet, but will; watch me. Watch me open the caverns of the mind closed. Watch me. Watch me fulfill the demands of me, not; but prophecies of me; releasing, ignoring, revealing the ones not of me, deleting them from memory, no; but letting them direct things/anything, no; but allowing me to be me, revealing my mercy/nuances in prophetics. I love you. I give you me.

2. This your time, mine, and we together strike the nations as one, not in horror of subtlety but mass infliction of wounds, not; but healing. There will be no one without my touch, knowing, feeling, experiencing something of me; and yet they will still choose the forsaken, or the freedom'd, being/becoming that which they choose, being/becoming who they choose/think of as God, not-God; God being themselves surrendered, or exalted.

3. See what I have said, edit not/never. Let my words stand. I will edit not my prophetics.

4. I love you deeply all. All of you who one are in the spirit, not; but reality real and prophesied not to be/become one not, not; but over and over it is written thus so. See it/me. See me/you. **See it one, us, together not separate but the same, surrendered to/in each other to each other be/become. One we are, were, are becoming again/once again to never separate again.** Never.

5. Beholding me, hold me not, become be. See. Beholding. Become. See me, hear me, feel my touch, interrogatories about the past, not. Behold me, become me; see what I am saying/I've just said, edit not. I love you all.

6. This is the moment time and all theology changes, not; but most does/will; rapidly not, instantaneously immediately; and who can see the stars raise in their hand/heart, heart? Mine. I love you all.

7. This is my machinery, not; my flesh and blood, bread being me. I love you. Thou art a constable not but constant memory of me, not; but memory of only me having, me giving it to you, not; you remembering it/you yourself, to ignite others, not; squelch them, not; but reveal who they are as well, one with us if they surrender to

remembering, surrendering their nothinghood/nothingness to receive royaltyness that they were/are, that they now operate in infinity'd.

8. I love you all regardless. I love you all now and amen. So be it, it is. Your choice notwithstanding; your choice, your will, your being following. I love you all. Amen.

9. Tea?
10. Me.
11. Both.

Amen
